● A live Question and Answer sess...	7
● Short films on our website	8
● Other	2

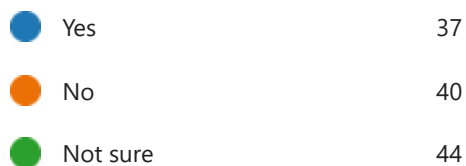

4. How much time could you realistically spare to do an information or training session?

5. When are you most likely be able to go to an information or training session?

6. Would you prefer a training or information session to be **with other parent carers only** (not with professionals too)?

7. If there is anything else you'd like to say, or if you've got any bright ideas about training for professionals or for children and young people, please tell us here.
